

Seminar on Investment Opportunities in Tamil Nadu

JETRO and Japanese Chamber of Commerce and Industry, Chennai (JCCIC) will hold an "Investment Seminar on South Tamil Nadu Government in the south of India" by inviting senior state officials such as Indian · Tamil Nadu State Government Minister of Industry and Special Vice Minister of Industry to Japan.

The port city Chennai located in the southeastern part of India is called "Detroit of India", and many multinational corporations are advancing, including automobile related companies such as Renault / Nissan, Yamaha Motor. In recent years infrastructure development has progressed and the Japanese industrial park is operating and the investment environment is being steadily improved. On January 23 and 24, 2019, the state's largest enterprise attraction event "Global Investment Meet (GIM) 2019" The state is actively working to attract enterprises both in Japan and abroad.

In this seminar, I will explain various investment related information such as the efforts of the state government attracting foreign capital, charm of the state as investment destination, success story of Japanese affiliate company, guideline of factory establishment by Japanese Chamber of Commerce and Industry, Chennai (JCCIC).

It is a valuable opportunity to know about the investment environment of the state so we are waiting for everyone's visit.
