INSURANCE SCHEME

YOUR GATEWAY TO  
SECURITY OUTSIDE  
TAMIL NADU!

# What is NRT Insurance?

It is a program that provides insurance cover to Tamils living outside of Tamil Nadu, both in other parts of India and abroad. The insurance scheme will help you in case of unfortunate situations such as (a) Death due to an accident and (b) Diagnosed with a critical illness.

## What type of insurance cover is provided?

There are two types of insurance you can choose from: The first is Personal Accident Insurance, which is mandatory. The second is Critical Illness Cover, which is optional.

## Am I eligible?

- Applicant should have a valid Aadhaar card.
  - Applicant should have an NRT ID card – Register at [nrtamils.tn.gov.in](http://nrtamils.tn.gov.in)
  - Personal accident cover: Applicant age should be between 18-70 years.
  - Critical illness cover: Applicant age should be between 18-60 years.
- If you are an NRT living outside India<sup>1</sup>, you should have a valid Indian passport, and a visa. If you are a student, you should additionally have a student visa and a college ID card.
  - If you are an NRT living in India (i.e. outside Tamil Nadu)<sup>2</sup>, you should provide residential proof confirming your residency outside Tamil Nadu for more than six months. This may include a notarized rent agreement/ recent utility bill (electricity or telephone) or an appointment letter issued by your employer.

<sup>1</sup> **Non-Resident Tamilian (abroad)** means a Tamilian holding a Indian passport and is employed or residing abroad for livelihood with the VISA of the foreign country

<sup>2</sup> **Non-Resident Tamilian (India)** means a Tamilian who is employed or residing in India outside the State but does not include employees of the Central Government, State Government, Local Self Government or Public Sector Undertakings of both the Central and State Governments or Autonomous Institution.

**Tamilian** means a person born or domiciled in the State.

# How does this NRT Insurance Scheme work?

## Case 1:

Ram, a 55-year-old Non-Resident Tamilian residing in Kerala, holds a valid driver's license and prioritises financial security to lessen potential medical expenses resulting from unexpected accidents. He decides to get the NRT insurance scheme, choosing personal accident cover of Rs. 10,00,000. To secure this coverage, He pays a premium of Rs. 700. Unfortunately, two years after buying the insurance scheme, Ram passed away in an unfortunate accident. His two sons were mourning the loss and were worried about the financial situation.

However, due to the coverage under the NRT insurance scheme, Ram's family is eligible to receive 100% of the insured amount, which amounts to Rs. 10,00,000, providing his family with financial support during this tough time.

## Case 2:

Rajesh is a 45-year-old non-resident Tamil who lives in Malaysia. He signs up for the NRT insurance plan to be ready for any unexpected health problems. He chooses to get coverage for accidents i.e Personal Accident Insurance, which would give him a coverage of Rs. 5,00,000. He also decides to get extra insurance for critical illnesses which would also give him a coverage of Rs. 5,00,000. Rajesh has to pay Rs. 1,750 every year for the critical illness insurance and Rs. 395 once in three years for the accident insurance.

Ten months later, Rajesh finds out he has Cancer. It's a tough time for him, but he feels better knowing he has insurance. Because of his insurance, Rajesh can get Rs. 5,00,000 to help pay for his treatment. This money will help him during this difficult time.
